

Claims Service

Tired of generating and sending bulk claims? Let our team do it for you.

With our fast and responsive remote services, your claims process becomes completely paperless and you will never have to spend a huge amount of time on managing claims and the necessary follow-ups.

This service can help you:

- ✓ Secure your reimbursements on time.
- ✓ Save time at a lesser cost.
- ✓ Prevent claim errors and inconsistencies.
- ✓ Improve the revenue cycle of your clinic.
- ✓ Eliminate the cost of paper claims.
- ✓ Reduce the number of rejected claims.
- ✓ Free your staff to do more productive work.
- ✓ Focus on patient care.

Use remote staff to manage and process claims with no added cost.

1 Generate and Send Bulk Electronic Claims

On your behalf, we generate EMC claims and send them to the applicable payer through the clearinghouse.

2 Utilize EHR and Integrated Clearinghouse

Using your EHR and integrated clearinghouse of choice, we organize and review every claim to identify errors before sending the claims.

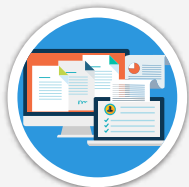

3 Track Reports

We routinely track and follow up the Clearinghouse reports (L1) and the Payer Acknowledgment reports (L2) to make sure that they reach the payer on time.

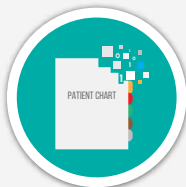

4 Access a Report of Submitted Claims

We provide a report of all the submitted claims that you can readily access whenever you need to.
